IT Chair

Abd Al-Razzak Kerhani
Beirut, Lebanon

It is with immense pleasure that we warmly extend to you this invitation to attend the 4th Medical Students World Congress of Neurosurgery.

Set in Florence, the essence of this year's edition reflects the artistic nature that the rich history of the city exudes – to celebrate the picturesque art of Neurosurgery, as well as the path of the esteemed Neurosurgeons who have mastered it. The core of the Congress has always been to organise and share in opportunities for medical students, by medical students. We aim to provide you with a platform that offers access to mentorship, community, network, and hands-on experiences enriched by the shared passion for Neurosurgery internationally.

Dates: 4th to 7th September 2024

Venue: University of Florence, Novoli Economical Centre

Language: English

We hope that you will join us on this journey.
